

Fourth Grade's April News!

As we are entering the homestretch of our 4th grade year, we want to provide important dates and reminders.

Please mark your calendar:

- ✓ Thursday, April 4th: Spring Picture Day (flier sent home)
- ✓ Thursday, April 17th and Friday, April 18th: 4th grade: MCAP state testing
- ✓ Monday, May 6th and Tuesday, May 7th : 4th grade: MCAP state testing
- ✓ Monday, May 8th: Spring Concert (band, orchestra, and chorus)

We continue to expect students to make good choices in the 4th quarter. Students need to focus on being responsible, being friendly, staying engaged, and being safe. Although we have several changes to our schedule, we need everyone to be flexible and understand that the schedule will look different on some days. Students need to be productive, putting forth their best effort.

Students are expected to come prepared to class daily with computers fully charged and with headphones or earbuds. These items are necessary for completing online testing on the dates mentioned above, as well as for activities in class.

Friendly reminders:

- ✓ Please continue to check your child's planner and take-home folder daily.
- ✓ Each night your child should be reading for at least 20 minutes and completing his/her math homework.
- ✓ Remind your child to complete his/her work when out of the classroom, for example, due to an absence or music lesson. Your child is responsible for completing his/her work promptly.
- ✓ Please make sure to check the weather for those surprise cold or wet days.

If you read this email, please write in your child's planner on Friday, April 5th, "Happy Spring". Have your child show the planner to his/her teacher by April 5th for a surprise. Thank you for your ongoing home support.
