## 4<sup>TH</sup> Grade Band and Orchestra

October 12-16

October 19-23

October 25-30

Students who are attending school 5-days/week are called "Cohort 5"

**Currently, HCPS is following CDC guidelines for music which include:**

- No singing indoors (can sing outside with masks)
- No playing of **woodwind or brass instruments** without approved instrument covers. **These have been ordered by HCPS and each student will receive one when they arrive.** Until we have them, students who play a woodwind or brass instrument will be able to have their instrument out and can do fingerings while at school. I will provide them with videos to support practice at home when they can fully play the instrument.
- Strings and Percussion can play while wearing their mask, so they will attend their regular lesson time and will play their instrument in Mrs. Zipay's room while she teaches the rest of the group online.

### **Cohort 5 Flex times (until instrument covers arrive)**
